Religion

President Barack Obama

1. **God:** The one God is Triune (one God in three Persons, not three gods): Father, Son, and Holy Spirit. God is a spiritual being without a physical body. He is personal and involved with people. He created the universe out of nothing. He is eternal, changeless, holy, loving, and perfect.
2. **Jesus:** Jesus is God, the second Person of the Trinity and was never created. He is fully God and fully Man (the two natures joined, not mixed). As the second Person of the Trinity, he is coequal with God the Father and the Holy Spirit. In becoming man, he was begotten through the Holy Spirit and born of the Virgin Mary. Jesus is the only way to the Father, Son and Eternal life.
3. **Holy Spirit:** The Holy Spirit is, the third Person of the Trinity. The Holy Spirit is a person, not a force or energy field. He comforts, grieves, reproves, convicts, guides, teaches, and fills Christians.

Mitt Romney

1. **God:** God, the father, was once a man, but progressed to godhood. He has physical body, as does his wife (Heavenly Mother). No Trinity. The Father, Son and Holy Ghost are three separate gods. Worthy men may one day become gods themselves.
2. **Jesus:** Jesus is a separate god from the Father. He was created as a spirit child by the Father and Mother in Heaven, and is the "elder brother" of all men and spirit beings. His body was created through sexual union between Elohim and Mary. Jesus was married. His death on the cross does not provide full atonement for all sin, but does provide everyone with resurrection.
3. **Holy Spirit:** The "holy spirit" is different from the "Holy Ghost." The "holy spirit" is not God, but is an influence or electricity-like emanation from God (or "light of Christ").

Education

President Barack Obama

1. Implemented \$4.35 Billion Race to the Top Competitive school grant program, which increased accountability and standards in schools, across a variety of categories. Signed the Education Health Care Affordability Act of 2010, increasing funding for land grant colleges, provided nearly \$7 Billion for early learning programs childcare and development block grants.
2. Led the initiatives to restore more than \$60 Billion back into student loans program by removing the banks middlemen system. By pushing for federal government to invest in the student directly, insures access to lower interest rates.

Mitt Romney

1. Plans to eliminate the college tax credit. Cut/restrict Pell Grants. Reduce federal support for new teachers.
2. The Republican platform seeks to privatize all student loans, having the government only act as an "insurance guarantor for the private sector as they offer loans to students."
